

Ancillary Supplies: 6th-8th Grade

Dear Parents,

At Skinner West, your child does a lot of learning outside their homeroom! The following supplies are required for to provide a healthy, active learning environment in the ancillary classrooms and throughout the school.

- Each student should have an Ancillary Class pencil case. This will travel from class to class with your child. It should include pencils, crayons, markers, colored pencils, scissors, hand sharpener, & glue.
- General supplies will be shared by the ancillary teachers (Foreign Language, Library, Music, P.E., and SEL). Please put General Ancillary Supplies in a bag **labeled** with your child's name and room number and drop it off at the library the first week of school. Ms. Ranftl will be checking in the supplies so your child will receive credit for bringing them.
- Class-Specific Supplies are listed and should be dropped off at the corresponding classroom- Gym, Art (201) and Science (226)

Thank you!

The Ancillary Team
