

*Mark T. Skinner School
Parent Web List*

Dear Parents:

We are diligently seeking to improve communication between home and school. We were excited about launching our new Skinner Website at www.SkinnerSuperstars.org. However, we are still trying to further this endeavor. One suggested method is to create a mass email mailing list that will get information out to you quickly. If you are interested in joining the list, please complete the bottom portion of this letter, and return it to your child's teacher.

Sincerely,

Deborah M. Clark
